Dear Secretary Russell,

This is a request for a copy of all Executive Orders enacted by the Crow Tribal Executive Branch pursuant to Article IV of the 2001 Crow Tribal Constitution. As you know, the Crow Tribal Secretary has the specific duty to keep records of all actions of the Executive Branch, under Article IV, Section 6(a) of the Crow Tribal Constitution.

The purpose of receiving these Executive Orders is so that I may be able to post all the Executive Orders on CrowLaws.org, a not for profit educational website which I established in 2010 and which is used by Crow tribal members, legal practitioners, undergraduates and law students. In addition, I have a personal interest in examining what Executive Orders may have been issued throughout the course of the new constitutional form of tribal government.

I would prefer electronic (PDF) format for the Executive Orders, but I would be glad to accept hard copies as well.

I am willing to pay a reasonable fee for any such copies you are able to provide. Please let me know as soon as practical whether or not you can accommodate this request.

Aho.
